METHOD OF PAYMENT

You may pay for your visas via debit/credit card, cheque or cash. Cheques to be made payable to GO TRAVELLING LTD.

WHEN CAN I APPLY FOR MY VISAS?

You may apply for your Russian visa 3 months prior to your EXIT date from Russia. The visa is valid for entry within 3 months. For your Mongolian & Chinese visas, you may apply 3 months prior to your ENTRY date into Mongolia & China.

HOW LONG WILL IT TAKE?

It will take approximately FOUR - FIVE working weeks from the time you have lodged your passport, for all 3 visas – with the Russian visa on the standard service. We will call you on your daytime number, as soon as your passport is returned from the Embassy. Sometimes, particularly during the busy summer months, delays can occur.

Also, an unusual system operates at the Russian Embassy, whereby we cannot guarantee due to excessive demand and the whims of Embassy officials that your passport will be accepted on the 1st attempt. Sometimes, particularly during the busy summer months, passports can take up to 3 attempts! Please exercise patience. Unfortunately the Russian Embassy often changes their processing times, visa rulings and costs and as your agent we can only advise you of these changes and seek advice from you as to the path you wish to take. We cannot be responsible for these changes. Should your passport have already been submitted and circumstances arise which necessitates the removal of your passport from them embassy or the fast-track service, please be aware that the Russian Embassy will be merciless and require full repayment of all embassy fees. THIS IS BEYOND OUR CONTROL.

It is important to know that the Chinese, Mongolian and Russian Embassies provide for no refund if your application is rejected or cancelled. Please exercise care when completing your application form
